

Patubig sa Albay: Mobile Water Treatment Plant Assistance

As part of its CSR, the MWSS together with Maynilad and Manila Water extended assistance to the residents affected by eruption of the Mayon Volcano in Albay Province.

A team composed of MWSS, Maynilad, and Manila Water employees was sent to the affected areas bringing with them a mobile water treatment plant to supply drinking water to the residents. The team's send-off ceremony on 5 February 2018 was spearheaded by Administrator Rey Velasco, together with MWSS Board of Trustees Chairman Franklin Demonteverde, Trustee Melchor Acosta, Trustee Merly Cruz, DA for Engineering and Operations Leonor Cleofas, Maynilad CEO Ramon Fernandez, Maynilad COO Randolph Estrellado, Manila Water CEO Geodino Carpio and Manila Water Group Director for Corporate Management Project Thomas Mattison.
